Preparing provincial Thai dishes served the traditional way is what sets us apart. The ingredients are always fresh and we strive to source local and natural product when practical. At Banyan Tree we value culinary knowledge and use generational techniques and recipes in preparing our dishes, showcasing the Thai heritage which our restaurant and menu are built upon.

Our menu offers fare from many different regions of Thailand—the Southern, Eastern, and Northern provinces, as well as dishes from the heart of Bangkok. At Banyan Tree, we make Phad Thai the traditional way—using tamarind. You may not be familiar with the flavors you will taste at Banyan Tree, and the vegetables we use might be new to you, but you will be amazed by it all.

We use peanuts, fish sauce, eggs, sugar, salt, and wheat and dairy products in our preparations. We do not use MSG as an ingredient. We can make many of our dishes **gluten free** and **vegetarian**—just ask. If you have any allergies or concerns, please ask about ingredients.

We accept payment in cash, American Express, Visa, or MasterCard.

A service charge of 18% will be added to parties of 6 or more.

Consuming raw or under cooked meat may increase your risk of food borne illness.
